SUBJECT: Selection of National Board Candidates for 2010-2011 Fee Incentive Program

PURPOSE:

The purpose of this action is to select candidates to participate in the 2010-2011 Fee Incentive Program established for public school teachers seeking certification by the National Board for Professional Teaching Standards (NBPTS).

BACKGROUND/HISTORICAL PERSPECTIVE:

In 1997, the General Assembly enacted legislation that established a three-year program of state and local aid to public school teachers who pursue certification by the NBPTS. In 2005, the General Assembly increased the number of teachers to be supported from 500 to 750; in 2007, the General Assembly increased the number to 1000 teachers. Since the beginning of the state and local aid program, you have selected more than 3,600 teachers to participate in this rigorous assessment.

Maryland State Department of Education (MSDE) established eligibility criteria that were consistent with the NBPTS. MSDE also collaborated with a representative from the Maryland State Teachers Association, the Office of the Attorney General, and Senators Pinsky and Van Hollen, co-sponsors of the original legislation, to identify selection procedures and guidelines that would be used by participating local school systems.

EXECUTIVE SUMMARY:

Local school systems have identified 411 candidates to participate in the 2010-2011 Fee Incentive Program. The participating local school systems have submitted written verification that they followed the established procedures. Also, each candidate has submitted a notarized Memorandum of Understanding, which specifies the conditions of repayment, if candidates fail to complete the assessment process.

ACTION:

I request that the State Board of Education approve the candidates for participation in the NBPTS 2010 assessment cycle.
