<td>Stipends (dollar-for-dollar match by local school systems) for teachers who earn certification from the National Board for Professional Teaching Standards (NBPTS) continue, but the amounts for which teachers are eligible now depend on the schools in which they teach. Eligible categories are based on Maryland’s No Child Left Behind (NCLB) Differentiated Accountability model. A classroom teacher or other non-administrative school-based employee in a public school identified by the State Board of Education as having comprehensive needs who holds a standard or advanced professional certificate, who is employed by a county board, and who holds a certificate issued by the NBPTS shall receive a stipend from the State in an amount equal to the county grant for national certification, up to a maximum of $2000 per qualified individual. A classroom teacher or other non-administrative school-based employee in a public school not identified by the State Board as having comprehensive needs who holds a standard or advanced professional certificate, who is employed by a county board, and who holds a certificate issued by the NBPTS shall receive a stipend from the State in an amount equal to the county grant for national certification, up to a maximum of $1000 per qualified individual.</td>
<td><strong>Advanced Professional Certification (Qualifying Schools)</strong> Stipends for teachers holding advanced professional certification with satisfactory performance in the classroom will be paid to eligible teachers teaching in schools identified by the State Board of Education as having comprehensive needs (developing or priority). The amount of the stipend is $1500.</td>

• Is receiving funds under Title I of NCLB and as implemented by MSDE or
• Provides an alternative education program for adjudicated youths or students who have been expelled, suspended, or identified for suspension or expulsion from a public school or
• Has more than 50% of students attending who are eligible for free and reduced-priced meals (FARMS) established under the U.S. Department of Agriculture.

In addition, the position must be in a field identified as a critical shortage, special education class, or a class with students of limited English proficiency. A principal who retires with satisfactory performance can be rehired for two years without a reduction of benefits in a public school as stated above.

Scholarships

Workforce Shortage Student Assistance Grants
House Bill 688: Higher Education - Workforce Shortage Student Assistance Grants (Chapter 367, Acts of 2006) consolidated seven workforce-related State financial assistance programs into one program. The Sharon Christa McAuliffe Memorial Teacher Education Award, which had been in existence for over 20 years, is now part of this consolidated effort. The new rules and regulations, developed by an advisory council, apply to seven workforce areas.

An individual receiving an award must agree to work one year in an eligible occupation in Maryland for each year the award is received. An awardee must:
• Be a full-time resident of Maryland, enrolled at a two-year or four-year Maryland college or university;
• Be a full-time (12+ credits per semester) or part-time (6-11 credits per semester) degree-seeking undergraduate student, or a full-time (9+ credits per semester) or part-time (6-8 credits per semester) degree-seeking graduate students; and
• Sign a promissory note that is due if the service obligation is not met in accordance with the guidelines.

Distinguished Scholar Teacher Education Program
This merit-based award program is designed to provide additional financial incentives to attract highly able undergraduate students to Maryland's teacher preparation programs. Each Distinguished Scholar Award recipient receives $3000 and the Distinguished Scholar Teacher Education Program increases the total award by an additional $3000.
