

## SHARE A STORY OF "PRIDE & Joy"

## Welcome! Congratulations! Fantastic! Hurray! Magnificent! Wonderful!

This is an opportune time to share a story of personal and professional achievements, academic accomplishments, and birth announcements of loved ones. Also, our MSDE family is being recognized with local, state, and national awards; providing leadership and outreach to numerous organizations; successfully completing undergraduate, graduate, and doctoral programs; serving on numerous external committees; and accomplishing great things – we want to hear about them! We should publicly applaud and celebrate these milestones and "MSDE's **PRIDE** & Joy Newsletter" is the ideal channel to communicate this. Please take a few minutes to give our "families" the recognition they so rightly deserve.
