Dear Mr. South,

On behalf of the members of the Wicomico County Association of Public School Administrators and Supervisors, having surveyed our membership, I hereby inform the Maryland State Board of Education that we do not support the Maintenance of Effort Waiver Request submitted by County Executive, Mr. Rick Pollitt. We assert that such a waiver would be detrimental to the Wicomico County Public School System.

It is our sincere hope that Wicomico County elected officials will adequately fund Wicomico County Public Schools to the required level that meets Maintenance of Effort.

Thank you.

Sincerely,
