

Indicator (c)(12) – In Progress - Provide, for the State, for each LEA in the State, for each high school in the State and, at each of these levels, by student subgroup (consistent with section 1111(b)(2)(C)(v)(II) of the ESEA), of the students who graduate from high school consistent with 34 CFR 200.19(b)(1)(i) who enroll in a public IHE, the number who complete at least one year’s worth of college credit (applicable to a degree) within two years.

Status Report as of March 31, 2010

The match of the MSDE graduating class of 2008 and 2009 was linked to the Maryland Higher Education Commission (MHEC) data and sent back to MSDE for analyses and reporting.

Data files received from MHEC for the 2008 and 2009 graduating class cohorts in late March.

Analyses of the data have begun to answer the number of students who complete at least one year’s worth of college credit within two years.
