Introduction

The following tables were prepared from the annual staff reports submitted by the 24 Maryland local education agencies (LEAs) to the Maryland State Department of Education (MSDE) as of October 15, 2002. All positions, with the exception of temporary and hourly personnel and contractual personnel with less than a school-year contract, are included in the report.

In Maryland, instructional personnel include teachers, therapists, guidance counselors, school psychologists, school librarians, teacher trainers, athletic coaches, teacher aides, and others who work directly with students in the delivery of instructional programs and activities. Noninstructional personnel are staff in the central office and staff at school level who are not involved directly in the delivery of instructional services.

Definitions

Budget Categories

Administration - General regulation, direction, and control of the LEA, including board of education, personnel, research and development, data processing, planning, business services, and instructional program supervision and direction for non-special education programs

Mid-level Administration - Expenditures for district-wide administration and supervision of instructional programs and for school administration

Instruction - Direct and supportive activities dealing with student instruction, including classroom instruction; career and technology education; cocurricular activities; school media services, special programs for limited English proficient students, gifted and talented students, and compensatory education; guidance services; psychological services; instructional staff development; and adult education.

Special Education - Activities designed for students who, through appropriate assessment, have been determined to have temporary or long-term special education needs arising from cognitive, emotional, and/or physical factors, as defined in the State Board of Education ' s Special Education Bylaw.

Student Personnel Services - School attendance, school social work, and student accounting services

Health Services - Physical and mental health activities that provide students with medical services, including health screening, emergency injury, illness care, dental services, appraisal services, etc.

Student Transportation Services - Conveyance of students before, during, and after the school day, including the regular servicing and maintenance of vehicles

Operation of Plant - Care and upkeep of buildings and grounds, warehousing and distribution services, and security and safety services

Maintenance of Plant - Activities concerned with keeping the grounds, buildings, and equipment in their original condition of completeness or efficiency

Food Services - School cafeteria services, including food preparation and food delivery

Community Services - Services provided by the LEA for the community or some segment of the community other than for public school activities and adult education programs. Examples are community recreation programs, civic activities, and programs of custody and care of children.

School Construction - Major renovation and construction projects of the LEA

Capital Outlay - Expenditures of current funds for directing and managing the acquisition of, or addition to, fixed assets, including money spent for land or existing buildings, improvements to grounds, construction, remodeling, or renovations
