Introduction

This report contains data on the number of discipline incidents in each local school system and school during the 2011-12 school year. The data have been disaggregated by gender and race. Incident counts for students with disabilities are also reported. Student suspension data are available for reporting by Out-of-School Suspensions and Expulsions, In-School Suspensions, and Combined In-School and Out-of-School Suspensions and Expulsions.

If there were no incidents for a particular characteristic within a school, then the characteristic is omitted from this report for the school. If there were no incidents reported for a local school system or school, then the local school system or school is excluded from this report.
